

MEP Rating

6 hours Flying @ £485 per hour	£2,910.00
2 hours training on FNTF2 Simulator @ £180 per hour (Optional)	£360.00
Test Flight 1.5hours @ £440/hour	£660.00
Ground School plus theoretical examination	£350.00
Examiner Fee + CAA Charges	£331.00

Total Costs	£4,611.00
--------------------	------------------

A minimum allowance of 6 hours in the aircraft plus two hours in the simulator is costed above. The simulator time is optional but we have found that most people require some time in the simulator. If more flying hours are required then these will be charged out at £450 per hour.

In addition there are 7 hours of ground school required aswell as a theoretical examination.
